2. Icon Set Required

A consistent icon set is required for the following UI elements:

- Trophy / medal icon (overall leader on scoreboard)
- Crossed swords or 'VS' icon (rivalry badge)
- Flame icon (active win streak indicator)
- Controller / dice icon (represents a 'game' entry)
- Plus / add icon (add game, log match)
- Calendar icon (match date)
- User / profile icon
- Edit and delete (pencil / trash) icons for match entries

3. Page by Page Asset Breakdown

Landing Page: Hero banner illustration (two stylized characters/avatars facing off), app logo, tagline text, Login/Register buttons.

Login / Register: Logo, simple form fields, illustration or background graphic (optional).

Dashboard: List/grid of Rivalry cards - each card shows rivalry name, member avatars, and a mini scoreboard preview. Plus-button to create a new rivalry.

Create Rivalry: Form fields for rivalry name, description, and member invite (email or shareable code).

Rivalry Detail Page: Overall scoreboard (total wins per member), per game breakdown table, win streak badges, 'Log Match' button, and chronological match history feed.

Log Match Form: Modal/form with game selector, winner selector, date picker, and optional note field.

Profile Page: Username, email, list of rivalries joined, basic stats summary.

4. Sample / Placeholder Content

The following sample data should be used for design mockups, demo seeding, and testing:

Sample Games:

FIFA, Chess, Mario Kart, Call of Duty, Carrom, Ludo

Sample Rivalry Names:

"Sibling Showdown", "Roommate Rumble", "The Weekend League"

Sample Match Note:

"Comeback win in the last lap never doubted myself."
